ORDER

On August 31, 2016, Louisville Gas and Electric Company (“LG&E”) filed an application for a declaratory order utilizing the procedures for non-electronic filed cases as set forth in Commission regulation 807 KAR 5:001, Section 7. The next day, LG&E filed a motion requesting the Commission to designate this case be processed under the electronic filing procedures in 807 KAR 5:001, Section 8. The motion states that in recognition of the importance of the issues presented in the application, LG&E did not want to delay the application to await the seven-day advance notice period required under the electronic filing procedures, and that due to the early stage of this proceeding, no party should be prejudiced by the electronic designation.

The Commission, having considered the motion and finding good cause, HEREBY ORDERS that:

1. LG&E’s motion to designate the electronic filing procedures for this case is granted.

2. The style of this case shall be amended to include the word "Electronic," as set forth above, and all future correspondence or filings in connection with this case shall reference the above style and case number.

3. All documents submitted in this proceeding shall comply with the Commission's rules of procedure as set forth in 807 KAR 5:001, and any deviation from these rules shall be submitted in writing to the Commission for consideration.

4. Any party filing a paper shall upload an electronic version using the Commission's E-Filing System and shall file an original and six copies in paper medium.

5. Any request for confidential treatment of material submitted shall conform to the requirements in 807 KAR 5:001, Section 13.

6. Materials submitted to the Commission that do not comply with the rules of procedure or that do not have an approved deviation are subject to rejection pursuant to 807 KAR 5:001, Section 3.
